

Summer Season 2018

Station Capability List

Line Maintenance Services by

Lufthansa

Austrian 

 **SWISS**

Lufthansa, SWISS and Austrian Airlines

Get professional service and maximum value

- Lufthansa, SWISS and Austrian Airlines are leading providers for aircraft maintenance services around the world with nearly 60 years of experience
- We have highly qualified and motivated Line Maintenance Engineers available at numerous Stations throughout Germany, Switzerland and Austria as well as at a comprehensive network of International Stations
- Our wide variety of services includes technical assistance with or without CRS (Certification of Release to Services) for transit-, layover- or nightstopping aircraft, available for a vast range of aircraft/engine type combinations
- We are currently provider for over 150 line maintenance customers
- In addition to our EASA/FAA Maintenance Organisation Approvals, we hold approvals from several other National Aviation Authorities
- Our mission statement is to offer ideal and competitive solutions for your Line Maintenance requirements and we would be glad if we could add you to our list of very satisfied Customers

If you have been looking for the right solution tailored to your needs – you just have found it.
