

Please note:

Instead of an Approval Certificate, LHT is published as an Approved/Accepted EASA Part-145 Organization with Approved Organization Number 897-08 on the EASA website under the following link:

<https://www.easa.europa.eu/easa-and-you/aircraft-products/continuing-airworthiness-organisations/foreign-part-145-organisations-in-canada#group-easa-downloads>

You will find the approval of LHT in the „List of TCCA approved maintenance organisations located in the EU“.
