#### Conditions of Training:

If accepted detailed Terms and Conditions will be outlined in your Offer Letter. This will need to be signed and returned to Lufthansa Technik Shannon Limited(LTSL). Below are some important notes points to note.

To successfully pass the course students must pass all examinations at the required pass mark of 75%. Pass all relevant practical assessments and meet the minimum attendance requirements over the duration of the course.

The maximum of 2 re-sits per examination per multiple choice exam and module essay will be allowed within the course fee.

Practical training is conducted in the live aircraft environment; students have to continuously demonstrate that they are capable of working in this environment in a safe manner. Failure to demonstrate safe working practices and attitudes at all times may lead students not passing required assessments and not being allowed to participate in the live aircraft environment practical training.
