Two Part Modules; M7, M9 & M10 examinations consist of an essay part and a multiple choice part; each part may be taken on the same day or on separate days. On the first attempt, if taken on the same day both the mcq part and the essay part are covered by one exam fee. If taken on separate days, the essay part and the multiple choice part are administered as separate examinations and individually incur their own fees. Module essay examinations are generic for Cat A1, B1.1 and B2/B2L.

Module 13 Category B2 Module 13 examination is given in two parts. Part 1, designated 131, comprises the B2 Module 13 sub module subjects that are additional to or are at a higher level than in B1 Module 11. Module 13 Part 2, designated 132, comprises the B2 Module 13 sub-module subjects that are common to Category B1 Module 11 and which are at the same or a lower level. (Note: in each case above the sub-module numbers per subject are different).

On the "first attempt" at Module 13, Part 1 and Part 2 examinations must be attempted on the same day and each part carries its own fee. A resit of either part carries its own fee. Both parts must individually be passed to gain a B2 Module 13 credit. No other recognition is given.

B2L Module Examinations; are similar to B2 Module examinations. The B2 Module 13 examination is divided into five ratings. The Basic Requirements examination is also required under B2L Module 13. The B2L to Category B2 M13 Extension examination is an additional examination required when converting from B2L to Category B2. Each examination may be applied for as an individual examination and each examination incurs its own fee.

Part 66 License Category Extension sub-modular exams cannot be amalgamated and must be taken as individual exams, incurring their own fees. (Refer to IAA PLAM 01-03 www.iaa.ie).

BAEC to Part 66 Limitation Removal Examinations refer to IAA Personnel Licensing Advisory Memoranda. (PLAM 01-02 and PLAM 01-07 www.iaa.ie) The specified sub-modules from Modules 6, 7A, 10, 11A and 13 will be taken together in one exam except in the case of BAEC Part 10 where two examinations are required ({6, 7, 10} / {11}). Each Part 66 Limitation Removal Examination requires its own fee.

Full modules required for any conversion/limitation removal must be taken separately and incur their own fees.

Resits: As per EASA Part 66 Appendix II; the maximum number of consecutive attempts at a module or submodule examination is three. Further sets of three attempts are allowed with a one year waiting period between sets.

On application for a resit of a module examination in a given category LTSL requests that you provide the names of the Approved Maintenance Training Organisations' or the Competent Authorities' and the locations and dates in which you attempted the module within the previous 24 months.

Failure to do so may result in your examination being invalidated.

Each resit examination incurs its own fee.

Applications: Application forms with correct payment must be received a minimum of three weeks prior to the requested examination date. Spaces are limited and will be allocated on a first received and cleared payment basis. Remittance please by Money Order or by crossed Cheque made payable to "Lufthansa Technik Shannon Limited". DO NOT SEND CASH by post. An over the phone Card payment facility is also available. Where possible all of your examination requests will be facilitated on the day.

Requests for amendment to your application will be considered if notified to the Examinations Administrator at least fourteen calendar days prior to the applicable examination date. Thereafter, amendments to your application cannot be considered. Requests may not be successful.

Cancellation inside fourteen calendar days of the examination date will result in forfeiture of the examination fee unless the cancellation is notified in writing to the Examinations Administrator (letter or FAX) and is supported by authoritative documentation (e.g. Doctors Cert or Letter from your Employer).

Failure to attend an examination to which you are booked will result in forfeiture of the examination fees.

Photographic I.D (Passport / Driving License / National Identity Card), a BLACK ink pen and your Letter of Acknowledgement are required on the examination day.

Please Note: A minimum of three weeks is required to process and publish examination results. A recheck of an examination paper incurs a fee of €120 (refundable if successful) and must be requested in writing with fee within the 60 day period following the date of publication of results, after which period the exam event is closed.
